

AM2314, okay.

SENATOR CHAMBERS: What page? Yes.

CLERK: 2314, on page 13, lines 19 and 20, lines 19, 20...

SENATOR CHAMBERS: Since I think this may have been a part of another amendment I'm going to withdraw that.

SPEAKER BAACK: It is withdrawn.

CLERK: Senator Chambers, I now have another amendment from you, Senator, same AM2314, page 22...

SENATOR CHAMBERS: Yes.

CLERK: Lines 8 and 9.

SENATOR CHAMBERS: Yes.

CLERK: Strike under twenty-one years of age...

SENATOR CHAMBERS: Yes, this amendment, members of the Legislature, I do want to take up and I'm going to say it again for you now that I'm on the page and I know where it is. Senator Kristensen, you may be interested in this. It's on page 22, lines 8 and 9. These words would be stricken, under twenty-one years of age. The bill would then read, it shall be unlawful for any person to operate or be in the actual physical control of any motor vehicle, and then it gives these other conditions under which the person would be in violation of the law. Without my amendment we say that persons under 21 years of age are going to be treated oppressively differently from the way that people over 21 years of age will be treated. In this state it is not against the law for a minor to drink liquor at home with the parents' approval. It's not against the law. It's not against the law for the person under 21 who has so consumed alcoholic beverages at home with parental consent to be on the streets, and the amount of alcohol which this person under 21 may have in his or her system would not have to rise to the level of .10 if that individual is in a car in order for that person to be charged with drunk driving. If an adult drinks anywhere and is in a vehicle with an amount of alcohol in his or her system under or less than .10 that person over 21 is not charged with driving under the influence. I don't approve
